Ana Jr.

Recommended for ages up to 10

Features

- The frame has a solid oak base and solid beech frame
- All joins are stapled and glued for long-lasting quality
- The seat and back are covered with 2.2lb high-density foam for ultimate comfort
- The sides of the chair have 1” thick foam to soften the edges
- Springs are covered in fabric to prevent any squeaking from foam rubbing on the metal springs
- Every seam is double-stitched and uses India tape which is moisture resistant making the seams virtually indestructible
- The india tape also creates a bed bug barrier when used with vinyl
- 1.5" tall non-marring poly legs to protect the floor from damage
- Lifetime warranty, including frame, foam, and stitching

Options

- Available with contrasting upholstery
- Available with A/C Receptacle and Dual USB Port
- Available in a wide range of upholstery
