

25-YEAR
WARRANTY

flexform

BUILT TO LAST BACKED FOR DECADES

At Flexxform, we design **durable** lounge furniture that's made to last - and we prove it with a **25-year warranty**. From **high-traffic** schools to all-day civic spaces, our seating is engineered to perform in demanding environments.

Crafted in our Winnipeg facility using durable hardwood and premium plywood (never MDF or particleboard), every piece features reinforced joints, high-resilience foam, and Flexxform's proprietary **EnduraFrame™**. This is furniture that doesn't just look great - it's built to work hard, every single day.

WARRANTY THAT GOES THE DISTANCE

When we say built to last, we mean it. Every Flexxform product comes with our industry-leading **25-year warranty** for lasting strength and performance. All framed products are tested to a **weight capacity of 550 lbs** to ensure durability and safety for every user. For spaces that never stop, optional **24/7 coverage** offers added protection for continuous use. With Flexxform, you can trust your seating to look good, feel good, and perform for decades.

LEAD TIMES YOU CAN COUNT ON

Quickship options ship in **2 weeks** and standard orders in **6 weeks**.
From day one, you'll know exactly when your furniture will arrive -
no surprises, no excuses.

SEATING THAT FITS EVERYONE

One size doesn't fit all. Flexxform offers both **child and adult sized** seating to suit diverse users in schools, libraries, and public spaces. Comfort and inclusivity come standard - by design.

DESIGNED BEYOND THE STANDARD

At Flexxform, we bring your vision to life with fully **custom designs** tailored to your exact specifications, including unique dimensions, shapes, and configurations. Plus, you can choose from a wide range of **optional upgrades** such as power modules, tablet arms, moisture barriers, and removable seat cushions to make your furniture truly your own. With Flexxform, every piece fits your space and lifestyle perfectly.

Grant MacEwan University

YOUR BRAND, BUILT IN
